

Partitipation in common research or employees educational programs the last 3 years.

- Greek Academic – Research Institutes
- Aristotle University of Thessaloniki – Department of Mechanical Engineering
- Alexander Technological Educational Institute of Thessaloniki – Department of Automation
- University of Patra – Chemical Engineering Department
- ICE - HT
- National and Kapodistrian University of Athens – Chemistry Department
- Greek Industrial Institutions
- Phosphoric Fertilizers Industry S.A
- Systems Sunlight AVEE (formal GERMAN AVEE)
- Tropical ABEE
- Frigoglass AVEE
- CaO Hellas , Hellas

International Academicians – Researching Institutes

- University of Manchester – Dept of Chemical Engineering and Analytical Sciences, U.K.
- Dortmund University – Chair of Fluid Separations, Germany
- Technical University of Brno , Institute of Process Equipment, Czech Republic
- Delft University of Technology – Natural Sciences Department, Postgraduate program of planning systems, Holland
- Mendeleev University of Chemical Technology, Governmentals Department, Russia
- St Petersburg University of Technology, Department of Chemical Engineering, Russia
- IREA , Institute of Chemistry of pure substances, Russia
- South Kazakhstan State University, Department of Chemical Engineering, Kazakhstan
- Imperial College London , Department of Chemical Engineering, U.K.
- University of Loughborough – Centre for Renewable Energy Systems and Technology (CREST)
- Department of Energy, Power Engineering and Environment, University of Zagreb, Croatia

International Industrial Partners

- PROMTRAK, Russia
- Firth Executive Ltd, U.K.

- Sodruzhestvo Ltd, Ukraine
- Process Systems Enterprise Ltd, U.K.
- E VECO Brno , Czech Republic
- Hydrogenics, Germany
